

What is a 40c high discharge rate LiFePO4 battery?

Grepow's 40C high discharge rate LiFePO4 battery cells are designed to deliver exceptional power and performance. With a fully charged voltage of 3.65V, these cells provide a continuous discharge rate of up to 40C, making them ideal for applications requiring high bursts of energy, such as power tools, vehicle booster and racing cars.

What is Grepow high capacity LFP battery?

Grepow's High Capacity LFP batteries are of low IR, higher energy density, high power performance, longer battery life for using self-researched battery raw material formula, widely used in portable power stations, vehicle booster, battery backup, etc.

What is Tattu 4.0 35Ah 18S LiPo battery?

The Tattu 4.0 35Ah 18S lipo battery is a new generation smart drone battery with optimized plug & play installation, supports 5C fast charging and max 350A continuous discharge current, and the lifespan can be more than 1000 cycles.

What is a Grepow 10c high discharge rate lithium iron phosphate (LiFePO4) battery?

Grepow's 10C high discharge rate Lithium Iron Phosphate (LiFePO4) battery, manufactured using the advanced stacking process, delivers superior performance and reliability. This manufacturing method ensures low internal resistance, allowing for stable and efficient charging and discharging cycles.

The 3.85V Lithium Polymer Batteries LP484284 3035mAh are designed to provide efficient and long-lasting power to various electronic devices. These lithium polymer batteries are ideal for applications ...

Rechargeable Lithium Polymer Battery, 3.85V High Voltage, Stable Performance, Design for your Prototype, Contact LiPol Battery Co., Ltd. LP484284 3.85V 3035mAh 11.69Wh

Feature highlights: High-quality 903035 3.7V 1000mAh Lithium Polymer battery with a cycle life exceeding 500 cycles, suitable for diverse applications including consumer electronics, electric ...

Includes a reliable battery charger to ensure you stay powered on your rides. Upgrade your cycling experience with this efficient, high-capacity battery solution. Experience reliable power ...

Grepow provides rechargeable lithium ion battery, lipo battery, lifepo4 battery, nimh battery and button battery for drone, rc hobby, ups and wearable device.

The Aegis 36V 30Ah Lithium ion battery powers your most high demanding electronics. This state-of-the-art rechargeable 36V lithium battery pack is expertly constructed with high quality 18650 NMC ...

A 12V 35Ah lithium-ion (Li-ion) battery is a versatile and efficient energy storage solution widely used in applications ranging from solar power systems to electric vehicles and backup power supplies.

Qimoo 503035 3.7V Lipo Battery 500mAh 503035 Rechargeable Lithium Polymer Battery Pack with JST PH2.0mm Connector for Electronic Device

Amazon : Liter 3.7V 350mAh 303035 Lipo Battery Rechargeable Lithium Polymer ion Battery Pack with JST 2.0mm Connector : Health & Household Features: 1. This battery is a high ...

Customized LP1160100 2P 20000mAh Lithium Polymer Battery Pack Customized LP1160100 2P 20000mAh Lithium Polymer Battery PackCustomize a Lithium Polymer Battery Pack from us, OEM & ...
