

Vertically Integrated Solar PV Value Chain LONGi's technological and manufacturing leadership in solar wafers, cells and modules underscores our commitment to helping accelerate the clean energy ...

LONGi is actively involved in the Silicon Module Super League and has been listed on the Shanghai Stock Exchange. Their commitment to sustainability is evident in their plans to triple monocrystalline ...

The LonGi 430W Solar Panel (LR5-54HTB) is the perfect choice for distributed energy solutions. With its high power output, exceptional efficiency, and long-lasting durability, it is designed to maximize ...

Discover LONGi 430 Wp solar modules with HPBC technology - ideal for residential and commercial roofs. High efficiency, reliable performance, compact dimensions.

The Longi 430W Black Frame is designed to provide reliable and efficient solar energy solutions for residential, commercial, and industrial applications. It effectively converts sunlight into electricity, ...

The Longi Hi-MO X6 Dual-Glass SDM 430W solar panel delivers outstanding efficiency, durability, and long-term performance, making it an excellent choice for both residential and commercial solar ...

LONGi Solar Technology Co., Ltd. Solar Panel Series LR4-72HPH 430-460M. Detailed profile including pictures, certification details and manufacturer PDF

Our high-quality solar panel is engineered for long-term reliability, assuring you of a consistent energy output for years to come. Download Data Sheet for more information.

The LONGI Solar LR4-72 HPH 430 M panel delivers 430W. Maximum current and voltage are 10.6A and 40.6V respectively. As for physical dimensions, the panel is 2115mm tall and 1052mm, wide, and ...

The LR4-72HBD-430M solar panels have a rated output of 430 Wp and an impressive efficiency of 19.8 %, making them an excellent choice for homeowners looking to harness the power of the sun and ...
