

50kW Industrial Server Rack for a Chemical Plant in Malaysia

What is heavy duty racking Malaysia?

Our heavy duty rack Malaysia is exclusively designed to withstand exceptionally heavy and tough industrial loads. A heavy-duty racking system can help you store bulky and heavy items without giving way in the long run. By installing a heavy-duty racking system, unused spaces can be optimized instead of just the initial floor plan space.

What is a server rack?

Server Rack is among the many security system types that VSH Technology offers. If you're looking for a Server Rack supplier in Malaysia, you've come to the right place. This rack is also known as an equipment rack. It is a standard frame or enclosure for mounting multiple electronic equipment modules.
