

Order custom battery packs at Voltaplex. As a trusted custom battery pack manufacturer, we specialize in custom lithium battery packs designed to meet unique energy requirements.

Based on your requirements, we design a tailor-made battery solution including cell selection, BMS integration, mechanical housing, and connector interfaces. We then build a functional prototype for validation.

As a premier custom battery pack manufacturer, we design and assemble high-performance lithium-ion, LiFePO<sub>4</sub>, and LiPO solutions tailored to your exact specifications.

At BatterySpace, we provide all your needs for custom batteries. We carry a full line of different kinds of batteries, as well as top brand batteries in our US warehouse.

Can't find the battery pack you need? Contact us down below about the battery pack you are looking for and we can help! We can custom make a battery pack that meets your necessary specifications.

Discover top-quality aluminum and metal custom lithium battery cases. Craft your ideal lithium-ion battery with precision - simply share your requirements for a customized solution.

National Battery Supply provides custom battery packs for battery replacements and range extenders. Our custom batteries use high-quality Grade A cells, components, along the best manufacturing techniques.

Since 1965, Custom Power has designed and assembled custom battery solutions for critical OEM devices. We provide battery pack assemblies in all chemistries and for all electronic applications, all built to match our ...

NBS's Custom Battery packs and Custom Battery Charging solutions are designed to ensure safety, reliability, and optimum performance for commercial, industrial, and rugged military applications.

Design custom battery packs with ease! Create packs using new or existing lithium cells, adjust capacity & voltage, and visualize your configuration instantly. Perfect for DIYers, engineers, and battery enthusiasts!
