

Professional manufacturer of solar and power inverters, offering grid-tie inverters, hybrid inverters, off-grid inverters, solar batteries, solar kits, and complete solar energy storage system solutions.

Bulgaria-based storage manufacturer IPS has released a new utility-scale BESS with a rated capacity of 8.1 MWh and an integrated 4 MW inverter. The X-BESS 8 system is housed in a 20 ...

Explore SolarEast's commercial and industrial energy storage in Bulgaria. We offer large battery storage systems and BESS containers for sale, delivering reliable commercial energy storage ...

Three years ago, SCU deployed the country's first 40ft containerized energy storage system at a solar farm in Bulgaria, setting a precedent for large-scale industrial and commercial ...

A Bulgarian project for manufacturing batteries for energy storage has been granted strategic status under the European Clean Technology Initiative, the Ministry of Economy and Industry...

In 2024, GSL ENERGY successfully installed a 7.45MWh industrial-grade BESS energy storage battery system in Bulgaria, integrated with solar photovoltaic power generation, to provide ...

As an established EPC company with a history in the market, and through our manufacturing partners - leading companies in the industry, we offer high-tech battery solutions that meet the needs of ...

Huijue Group's Home Energy Storage Solution integrates advanced lithium battery technology with solar systems. Ranging from 5kWh to 20kWh, it caters to households of varying sizes.

About Us: As a Bulgaria-based energy storage specialist since 2015, we deliver cutting-edge batteries for solar farms, industrial complexes, and EV networks. Our ISO-certified factories serve clients in ...

EPC company Solarpro has deployed a battery energy storage system (BESS) with a capacity of 55MWh in Razlog, Bulgaria. It was realized in partnership with battery manufacturer Hithium.
