```

Another custom project completed by Maloy Mobile Storage was a 20" open side custom modified container to be used as generator enclosure, built to withstand "at sea" operations in a harsh salt water environment.

We are proud to announce that we have produced 11 sets of generator containers for our ABB Panamanian

customer. We designed this customized generator case using a 20ft shipping container with a full steel ...

We offers containerized generator sets with CHP and Emission control system. With our genset containers offer optimal performance in various site conditions.

We design and build container generator units, shipping container power units, and modular generator housing that meet the highest standards of safety and performance.

Our containerized generator enclosures are known for their supreme quality, appearance, and durability. We custom build to our customers specifications up to 3MW.
