Why Was An Expert Rating System Needed For Solar Panel Brands? Ranking Factors Value - 25% Module Quality - 20% Financial Visibility and Strength - 20% U.S. Investment - 15% Warranty - 10% Dealer Network - 10%

After running a reviews website for the solar industry for many years, it was clear to SolarReviews experts that consumer reviews alone were not enough. Consumer reviews, while valuable, don't always capture the whole picture. For example, homeowner reviews are typically written within the first year of a panel's life and therefore don't cover performance over the long term. See more on solarreviews.com

strong, **best solar panel brands for 2025**
