The Amount of Electricity Your Home Uses  
The Type of Solar Panels You Buy  
The Quality of Your Solar Installation  
Federal, State, and Local Solar Incentives  
Homes that use more electricity will need more solar panels to cover their energy needs. Although solar panels do get cheaper on a per-watt basis, the overall cost of the system will increase as more panels are added. However, the higher a home's energy usage, the more solar panels can save homeowners energy bills. See more on solar reviews Palmetto San Diego, CA Solar Installation: 2025 Costs, ...
