

In reality, at least half of the approximately 17,000 mobile solar generators claimed to have been manufactured by DC Solar did not exist. "Jeff Carpoﬀ orchestrated the largest criminal fraud ...

Ari Lauer served as outside counsel for DC Solar and faced 23 counts stemming from a fraudulent generator-rental scheme that drew more than \$912 million in investments.

As DC Solar lost vast sums of money with this fraudulent model, the owner of DC Solar, Jeff Carpoﬀ, and other conspirators stopped building the MSGs altogether, selling thousands of MSGs that did not ...

Unlike many other cases of money laundering and billion-dollar schemes, DC Solar wasn't born to be an intricate money-stealing company. It was founded by Jeffrey Carpoﬀ in 2008, after he ...

Prosecutors revealed that almost half of the 17,000 mobile solar units that DC Solar claimed to have sold never existed. The company relied on falsified lease agreements, forged ...

A California attorney on Tuesday pleaded guilty a week before he was set to face trial on criminal charges stemming from his role in an estimated \$912 million Ponzi scheme involving ...

SACRAMENTO, Calif. (AP) -- A former executive of a California solar power company was sentenced Tuesday to 6 1/2 years in prison and ordered to pay nearly \$620 million in restitution ...

A Los Angeles judge approved an \$845 million judgment against a rental company accused of misrepresenting its solar generator construction capabilities to investors. The judgment is ...

On Nov. 16, 2021, Joseph W. Bayliss, 48, of Martinez, was sentenced to three years in prison and ordered to pay \$481,300,000 in restitution for securities fraud and conspiracy in ...

If generators went unused, the IRS could bar buyers from claiming the solar tax credits. And if the IRS barred the credits, DC Solar would lose the only thing anyone seemed interested in.
