

What are the balcony solar container energy storage systems

We would like to replace a window with french doors that lead to a balcony. Can this be considered a possible fire escape egress ?

A balcony, deck or porch of a certain size requires a receptacle and many configurations below 20 sq. ft. must be included. That is not all inclusive. At a point, the size and or configuration of ...

the balcony is 2224 sq ft. it is like a area, when the board member take a break during the meeting, can breath some fresh air, or if the board room holding an event, wine tasting, wedding...

As such, the separation between units must extend to the exterior of the roofed area, i.e. the edge of the balcony, not " shy of the edge of the balcony as shown" Condition in screenshot ...

I am asking for your opinion about the various terms used in the IRC to describe exterior walking surfaces: Deck, Porch, Patio, Balcony. After 16 years of teaching deck codes and 10 years ...

Picture a type V-A apartment building with private balconies stacked over each other. You've used a membrane assembly (say, type X purple gyp board with stucco) on the underside of ...

There was a previous thread where we had discussed continuous balcony vents, and up until now, I assumed that only one continuous vent was required per CBC 2304.12.2.5, which states: ...

A new apartment located on floor 20 will have an outdoor balcony that is accessed only from within the individual dwelling unit. But the balcony needs to be 7 inches above the finish floor of ...

Unless the balcony offers a compliant exterior exit stair, it would not be a "means of egress" but it might qualify as an exterior area of refuge, or the door/window leading to the balcony ...

I have a 10"x12" balcony with half-walls on three sides and a full wall with a sliding glass door to living space on the 4th side. Below the balcony is finished living space. My concern is how to ...
